Mengenal EWA

Earned Wage Access (EWA) adalah sebuah layanan di mana karyawan dapat mengakses gaji yang telah mereka peroleh dalam jumlah yang dihitung secara prorata setiap harinya.

Earned

Haknya berdasarkan jumlah hari kerja yang sudah dijalani.

Wage

Upah atas pekerjaan yang telah diselesaikan

Access

Akses fleksibel di luar tanggal gaji yang ditetapkan perusahaan

Skenario Kasus: Rahayu

Halo, saya Rahayu.
Saya bekerja sebagai **buruh pabrik pakaian** dengan gaji **Rp3.750.000 per bulan.**

Tanggal 1

Rahayu telah menggunakan gajinya untuk pengeluaran bulanan (sewa kontrakan, makanan, listrik, dll)

Tanggal 11

Rahayu mengalami kecelakaan dan perlu membayar tagihan medis dan servis motor

Solusi Tepat

Rahayu **tarik sebagian gajinya** yang telah ia hasilkan, dengan aplikasi GajiGesa

Tanggal 30

Akhir bulan, Rahayu **masih mendapatkan gaji** dan telah disesuaikan dengan penggunaannya

Solusi Cepat

Rahayu **ambil pinjaman dengan bunga tinggi** atau **mengajukan kasbon** ke perusahaan

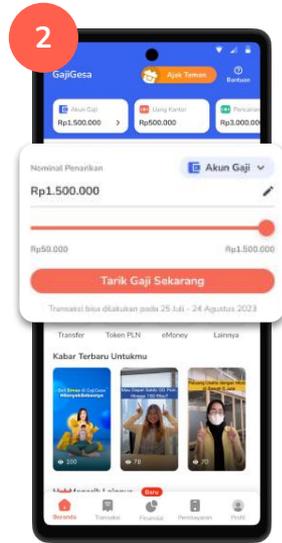

Tanggal 30

Akhir bulan, Rahayu harus **membayar pinjaman ditambah bunga**

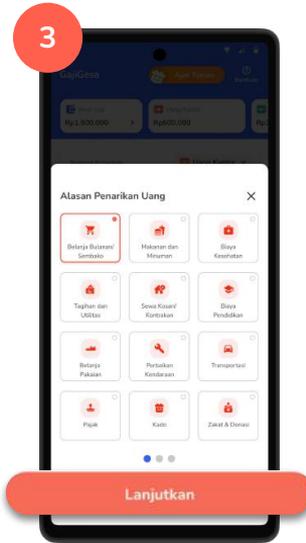

Cara menggunakan GajiGesa

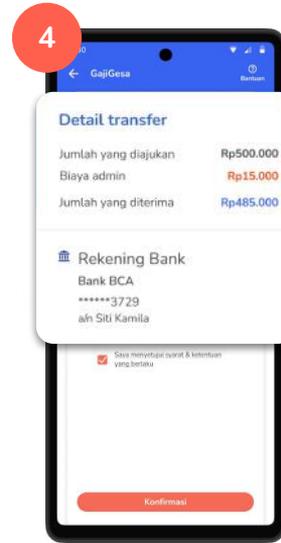

1
Login dengan nomor HP untuk dapatkan kode OTP

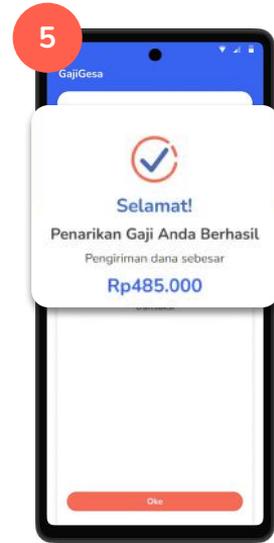

2
Tentukan jumlah gaji yang ingin ditarik, klik "Tarik Gaji Sekarang"

3
Pilih alasan penarikan

4
Pastikan informasi rekening sudah sesuai

5
Transaksi berhasil!

Pinjol berdampak pada kesehatan keuangan karyawan

Non-Pengguna EWA

3x lipat

Lebih rentan terhadap risiko ketidakmampuan membayar kebutuhan mendadak.

Our solution: GajiGesa

With GajiGesa,
employees **don't need
to wait** until payday to
access their own capital

Earned. Rights based on work days that have been executed.

– **Not early.**

Wage. Earnings that is entitled to be earned.

– **Not loan.**

Access. Instant & real-time.

– **Not payment in advance.**

How Earned Wage Access works

Hi, I'm Rahayu.
I have to **pay my rent**, so I
need to **withdraw \$100** first

Monthly Salary = \$300

Prorate (30 days) = \$10 per day

On the 15th, Rahayu needs **\$100** to pay her rent

Rahayu's salary: \$ 300

Accrued till day 15th: \$ 150

*15 days x \$10/day

Rahayu withdraws from GajiGesa: \$100

Remaining accrued balance \$ 50

*as of the 15th of the month

Remaining salary: \$ 200

*During Month-end

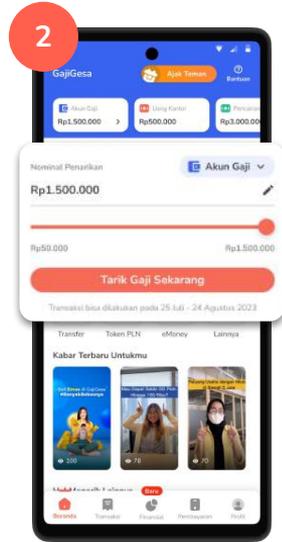

Employer will settle to GajiGesa: \$ 100

*Settlement will follow Salary Pay date

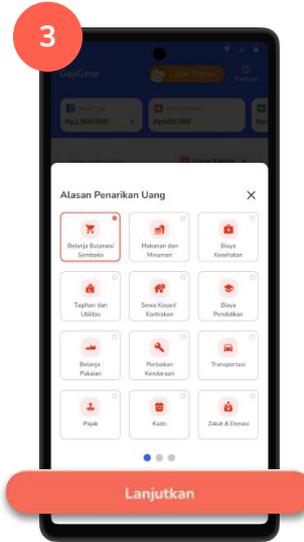

How to Use GajiGesa

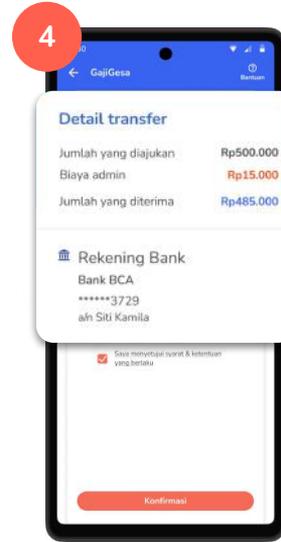

Login with phone number and OTP

Select the amount of salary to withdraw, tap "Withdraw Salary"

Select reason for withdrawal

Ensure the bank account information is correct

Transaction is completed successfully!

How loans negatively impact employees

Non-EWA Users

How GajiGesa's EWA improves employees' financial wellness

Ability to save

60%

Users are able to increase their savings after using GajiGesa

Resilience

86%

Users are confident that they can meet sudden expenses

Stress Reduction

80%

Users feel less stress after using GajiGesa

Importance of investment for employees' financial wellness

Build Financial Responsibility

Investing enables employees to be discipline and mindful of their spending and how they manage their income

Increasing Value

Investing allows employees' funds to grow in value over time

Hedge Against Inflation

Saving money in bank accounts without interests will result in diminishing values as inflation increases
